

FOR IMMEDIATE RELEASE:

AlphaUSA President/COO Unanimously Appointed To Livonia Chamber of Commerce Board of Directors

Livonia, Mich., August 24, 2012- Charles L. (Chuck) Dardas, AlphaUSA President and COO, was appointed to the Livonia Chamber Board of Directors. There are only 21 Business Leaders on the Livonia Chamber's BOD, the Chamber itself totaling 825 members.

"Chuck is one of the most well-respected business leaders in our community. He has been an incredible leader for the Chamber as we work on innovative local efforts to boost the high-tech workforce talent in these areas for our local manufacturers. It is an honor to have him on our Board of Directors." stated Chamber President Dan West.

The Livonia Chamber of Commerce has supported the Livonia community since 1950. The Chamber is a non-profit organization providing marketing guidance, referrals, credibility, and advocacy to its members. The Livonia Chamber of Commerce is one of the largest community-based chambers in Michigan and conducts more than two dozen events a year.

About AlphaUSA

AlphaUSA is a product development and design based manufacturer located in Livonia, Michigan. Founded in 1957 by WWII veteran George Strumbos, the company specializes in creating metal fabrications and assemblies including machined components, specialty fasteners, and low to high volume stamped products. AlphaUSA has received numerous quality awards and is a leader in its community having been named 2010 Large Business of the Year by Wayne County and the City of Livonia Chamber of Commerce.
